MEMORANDUM

To: Castine Residents
From: Shawn Blodgett
Date: March 23, 2020
Re: Castine Clean Up

Due to the State of Maine and the Town of Castine's COVID-19 response, one of several Castine events in danger of being postponed is the Castine Garden Club's annual Green Up trash pick-up day.

If individuals or families are tired of watching television and want to go outside and get some exercise while providing a tremendous service to your community, consider picking up trash. Recently, several citizens of our community started volunteering in this way. In an effort to help these volunteers with their endeavor, the Town of Castine has placed green colored trash bags in the vestibule of Emerson Hall. Filled refuse bags can be taken to the Transfer Station or left curbside like normal and you will not be charged a fee for these green trash bags.

My most sincere thank you goes out to Elizabeth Allaby who started this initiative. Her actions are indicative of what makes our community a special place to live.

Very Respectfully,
Shawn Blodgett
Town Manager
