Public Listening Session Minutes

Emerson Hall

In attendance: Selectboard members Roberta Boczkiewicz, Dan Leader and Amy Gutow; Town Manager, Derik Goodine.

Public: approximately 10 members of the public.

Mtg was live streamed on Castine's YouTube channel.

Roberta Boczkiewicz opened the Public Listening Session at 5:00 PM.

Quorum was confirmed.

Discussions on:

- Sidewalks
- Traffic Calming

Sidewalks: some present were in favor of removing snow on sidewalks with the Town performing the task and not requiring property owners to do it; there were others present that were opposed of removing snow on sidewalks especially since this issue was voted on at the May 2022 Town Mtg and was defeated. It was suggested to start only by removing snow from a selected batch of sidewalks: Main St, School St and Court St from Green to Main St.

Traffic Calming: There were many concerns regarding speeding on Battle Ave. Interest in having several 4-way stop signs at intersections and post additional signage around Town.

Public Listening Session closed at 6PM.
